For You Milady

Hiccup held out the Berkian Rose to his girlfriend with a soft smile plastered on his face, he couldn't help himself. He was just so happy that he was able to find this rose on Berk without anyone getting in his way or asking him what he was doing as he flew all around Berk looking for this particularly rare flower.

Astrid's eyes grew wide with wonder, "Oh my gods Hiccup...I can't believe you found a Berkian Rose! It's so beautiful~"

"I spent an entire week looking for this rose for you, because I knew that you told me once before that you haven't seen one in your life. Even though you looked everywhere when you were a kid. So I thought I'd make one of your wishes come true." Hiccup admitted as he rubbed the back of his head with his hand in an embarrassed way.

Astrid took the Berkian Rose from Hiccup's hand and smelled it, she smiled and placed the rose behind her ear and sighed, "Thank you Hiccup, it's a perfect."

"Anything for you Milady, you are the only woman on Berk who can knock some sense in me so I figured that you deserved a special thank you. You do know I would do anything for you right?" Hiccup asked with a raised eyebrow.

To answer his question, Astrid gave Hiccup an affectionate punch to the arm and brought him close to her body where she wrapped her arms around his neck and kissed him tenderly on the lips. Hiccup melted in her embrace and returned her affection. He loved it when Astrid initiated these kisses because he was honestly just getting used to invoking their kisses that they shared. So he was glad that she was kissing him for once that month.

When they parted from the kiss, Astrid smiled and giggled, "I wish you could see your face right now... You big dork."

"I may be a dork, but I'm your dork." Hiccup replied while kissing her cheek affectionately.

With that being said, the couple went together hand in hand into the tribe where they spent most of the day laughing and enjoying each other's company.
